

<p>English</p> <p>This half term we are reading Under the Sea (Hide and Peek). We will explore the text through sensory activities.</p> <p>Our Author of the Month for June is Eric Carle and for July, it's Petr Horacek. Please see our reading newsletter for more information.</p> <p>Our Little Wandle phonics lessons will continue 4 days a week and your child will continue to develop their listening skills through games, songs, rhymes and sensory massage.</p>	<p>Maths</p> <p>In Maths this half term we will continue explore pre- number skills through sensory interactive activities. You can reinforce skills with your child through activities like looking for favourite colours in the environment and exploring 'big' object and 'small' objects.</p>	<p>Science</p> <p>In Science, our lessons will focus on plants and materials.</p> 	
<p>Physio</p> <p>All pupils with a Physio programme will continue to follow these each week.</p> <p>Rebound sessions will take place throughout the week and will provide a combination of building strength, co-ordination, and relaxation.</p> <p>Some pupils will take part in Hydrotherapy sessions on Wednesday mornings.</p>	<p>Curriculum Newsletter Summer Term 2024 2nd Half Pink class 'Magic Carpet Ride (part 2)'</p> 		<p>Food Technology</p> <p>We will continue to focus on food from around the world. We will explore a range of ingredients and decide which foods look, feel, smell or taste the best.</p>
<p>Horticulture</p> <p>This half term we will continue to focus on 'colours of growth', looking at the many shades of green in the natural environment.</p>	<p>PSHE</p> <p>This half term, some of us will be exploring ways to stay healthy and others will be learning to respect other cultures.</p>	<p>Music</p> <p>Del from Dudley Performing Arts will continue to visit each Friday – we look forward to learning new songs and practising familiar songs. We will explore lots of different instruments. In music lessons, we will explore making loud and quiet sounds</p>	
<p>Computing</p> <p>This term in our computing lessons, some pupils will be learning about programming, while others will explore cause and effect.</p>	 <p>Art and Design</p> <p>In Art this half term some pupils will be looking at Aboriginal art, exploring how to make art using dots. Others will be learning about sculpture in nature.</p>	<p>RE</p> <p>For RE this half term, we will be learning about special books.</p> <p>Contextualised Learning</p> <p>At the end of the half term, we will invite a friend for a drink and snack</p>
