Summer Term second half

Maple and Birch

<p><b>English</b></p> <p>English continues to be based on the book 'Max Against Extinction' by Tim Allman. The focus for this half term will be writing, students will create a leaflet which will explain the importance of green spaces and protecting the environment.</p>
<p><b>Maths</b></p> <p>In maths students will continue with the overall topic of measurement, for this half term this will be time. Students will focus on clocks and telling time.</p>
<p><b>Catering</b></p> <p>Students will be working on creating and putting on an afternoon tea looking at menus and the format of the event. They will also be looking at evaluations of their work.</p>
<p><b>Horticulture</b></p> <p>Students will be formulating a planting plan for school and will continue to work on their enterprise project.</p>
<p><b>Art</b></p> <p>Students will continue to work on fashion for this half term finishing their designs and making final plans for the fashion show that will take place in school.</p>
<p><b>Computing – Passports</b></p> <p>Students will be completing their presentations and their communication passports ready for the leavers assemblies and to take with them to their next setting.</p>
<p><b>RSE</b></p> <p>Students will be looking at different aspects of staying safe including staying safe online and staying safe in relationships.</p>
<p><b>Creative Arts</b></p> <p>Students will change groups at half term and will develop their skills in music focusing on music for adverts and jingles, involvement in different types of dance and art where they will create bread sculptures.</p>
<p><b>Work Related Learning</b></p> <p>Groups for the outdoor activities will stay the same for this half term. Our young people will be growing vegetables on our plot and helping to improve the facilities at Hawbush Community Gardens, helping to keep the site safe and tidy at Baggerage Activity Centre and developing their skills at Nineveh Farm. In school, groups will continue with enterprise projects making products for school events.</p>
<p><b>Preparation for Adulthood</b></p> <p>Most students will again be changing groups for this half term but will continue to take part in different aspects of the Pens Meadow challenge including a group going swimming, catering and community engagement.</p>
